

Specializing in Kitchen & Bath Design and Construction

Professional Bios

Molly Erin McCabe, AKBD, CGP, CAPS, an award winning designer and general contractor, is the principal designer and co-owner of *A Kitchen That Works*™ LLC. Ms. McCabe has published numerous articles and has lectured locally and nationally on design and construction. She has contributed as a Subject Matter Expert for the US Green Building Council's GreenHomeGuide.com, is a member of the Thermador Design Council and was a founding Board Member of both the Olympic West Sound Chapter of the National Kitchen and Bath Association and the Kitsap Chapter of the NW Ecobuilding Guild. Ms. McCabe is an active member of her community volunteering with youth and teens, environmental groups and other not-for-profit community groups through projects and Board participation.

Clive Pardy, CSBA, is a co-owner of *A Kitchen That Works*™. Mr. Pardy provides design and construction services for cost effective lighting, home automation and energy and water management systems to enhance occupant comfort, safety as well as managing utility costs. His professional background includes engineering, finance and construction and he is a Certified Sustainable Building Advisor. He is an active member of his community volunteering with affordable housing and environmental not-for-profit groups through projects and Board participation.

A Kitchen That Works™ is an active member of the Home Builders Association of Kitsap County Built Green® program and Remodelers Council, the Northwest Eco Building Guild, and the Bainbridge Island Chamber of Commerce. Ms. McCabe's professional certifications include Associate Kitchen & Bath Designer (AKBD) from the National Kitchen and Bath Association, Certified Green Professional (CGP) from the National Association of Home Builders and is a registered Certified Lead-Free Renovator with the Environmental Protection Agency. Mr. Pardy is a Certified Sustainable Building Advisor.

Molly McCabe and Clive Pardy live and work in a Three Star Built Green® home that they designed and built along with their two children. They can be reached at 206.780.1906 or info@akitchenthatworks.com.
