Local Designer Opens New Live Sustainable Kitchen and Bath Showroom

Bainbridge Island, WA (January 2009) – Professional kitchen & Bath Designer Molly McCabe, AKBD principal with A Kitchen That Works, is pleased to announce the completion of *A Kitchen That Work's* new live and sustainable kitchen and bath showroom on Bainbridge Island, WA.

The showroom features a wide variety of live fixtures and appliances, allowing homeowners to “test drive” the latest in energy, water and time saving conveniences. Additionally, a wide array of sustainable and recycled content finishes has been incorporated to provide a broad overview of the gorgeous side of green.

A Kitchen That Works provides comprehensive design services for the remodels and new construction kitchens, bathrooms, laundry rooms, home offices, custom entertainment centers and mother-in-law dwellings. If you wish to tour the showroom or discuss your dream project, contact Molly McCabe at 206.780.1906 to schedule an appointment.

Ms. McCabe is a founding Board member of the Olympic West Sound Chapter of the National Kitchen & Bath Association and a member of the Kitsap Home Builders Association Built Green program. She has published several articles and lectured on the subjects of design and sustainable construction.

About the National Kitchen & Bath Association

The National Kitchen & Bath Association (NKBA) is a non-profit trade association that has educated and led the kitchen and bath industry since 1963. With over 40,000 members and growing, the NKBA owns the Kitchen/Bath Industry Show & Conference (K/BIS). The mission of the NKBA is to enhance member success and excellence, promote professionalism and ethical business practices and provide leadership and direction for the kitchen and bath industry. For more information, visit www.nkba.org.
